profile

Member of Society of Motion Picture Stills Photographers (SMPSP) and ICG 669 cinematographer union. Digital, film, 3D, and remote camera capable with complete gallery/specials kit. On set/location preview, and photo/video editing.

additional skills

Having spent 13 years of my life as a computer consultant for various companies such as Canadian Pacific, AT&T, NCR, the US Department of Defense, and the Mayo Clinic, I am pretty versatile at computer architecture, design, programming and repair in both the PC and Mac worlds. I also shoot and edit video and fiddle with iPhone programming, 3D graphics and compositing when I have time.
